and place on new background  
\* add \$5.00 per head for large group  
Any restoration work would be extra 39.95 up

### COLORIZATION

This is a process by which the artist technician has  
to path out each individual area and colorize each  
section of the photo image.

Specific colors must be supplied by the customer.  
Pricing will reflect the amount of different  
colors used and complexity of subject matter. 39.95 up

### SPECIAL SERVICES

Composite photos can be created from multiple  
scans and added for group images.

People can be removed from photos.

Special artistic effects can be used to make  
photos look like oil or watercolor paintings.
